

Springfield College
Doctor of Physical Therapy Program
Financial Fact Sheet
2025-2026

The data applies to students experiencing the program between May 27, 2025 – May 22, 2026.

Length of Program which includes all student instruction/interaction (including classroom, laboratory, exams, and clinical education). Include the total number of weeks where either full or partial attendance is required.

Length of Program in Weeks excluding breaks: 116

Length of Program in Weeks including breaks: 154

Clinical Education

Does this program have a requirement for all students to complete at least one clinical education experience for which the students would be required to seek alternative housing or travel accommodations to attend x Yes No

Note: Students are responsible for costs associated with housing, travel and food during clinical education. Programs should add any additional comments about clinical education here.

Springfield College DPT students are expected to meet health, background, and CPR requirements, and to arrange and cover transportation, meals, and lodging for clinical experiences. Access to a car or reliable transit is important, as clinical placements may be located beyond the college or a student's home, offering diverse learning opportunities.

Student Costs

Note: Year 1 are costs experienced by students who enrolled in the program for the first time between Jan. 1, 2025 – Dec. 31, 2025. Annual costs are estimates and may be subject to increases. Students should contact the program for further information.
