**ESTIMATED COST OF ATTENDANCE 2025-2026**

To be issued a student visa eligibility document (I-20 or DS-2019), proof of funding for the first year of tuition, fees, and living expenses must be provided. The total available funds should exceed or equal the estimate of costs of your program. Please review the **Graduate Programs Estimated Cost of Attendance Chart** (page 3) and add the information for your program below:

**Name of Graduate Program:**

**Total Expenses (from chart on pg 3):**

Please note: Your visa eligibility document (I-20 or DS-2019) lists these expenses for your first academic year. Although the budgeted expenses will rise each year (~4%), your I-20/DS-2019 will only record your first year's expenses. There are a number of expenses not included in the cost of attendance budget that students regularly incur. These may include but are not limited to: travel expenses, computer purchase, phone purchase, winter wardrobe, living expenses during summer and medical expenses not covered by insurance. Actual costs incurred will vary per student and are the responsibility of each student. Please plan your budget accordingly and bring with you sufficient funds to meet these expenses.
