

ADAPTED PHYSICAL EDUCATION PROGRAM
Department of PEHE / 2016-2017

Name: _____ **Phone:** _____

Undergraduate Institution _____ **Grad Year** ____ **GPA:** ____ **GRE: V**__ **Q**__ **A**__

Date of Candidacy: from _____ **to** _____ **Faculty Advisor:** _____
(5-year limit imposed)

The Master's candidate in Adapted Physical Education Program may choose from the M.Ed. or the M.S. Degree (thesis required for M.S.). Each student must complete a **minimum** of **33** semester hours. The **33** semester hours include six (6) credits of the practicum experience.

Prerequisites: Physical Education Teacher License/Certificate or permission from the department chair, AND:

		sh	Grade
PEAC 108	Sports for the Disabled I	.5	_____
PEAC 109	Sports for the Disabled II	.5	_____
PEAC 208	Adapted Aquatics	1	_____

PROGRAM REQUIREMENTS: (12 SH)		sh	Grade
PHED 612	Concepts in Assessment and Remedial Exercise Theory	3	_____
PHED 663	Adapted Physical Education and Recreation	3	_____
PHED 695	Fieldwork in Adapted Physical Education	6	_____

GRADUATE SELECTIVES (Thesis Students – 9 SH; Independent Study Students – 15 SH):

		sh	Grade
AEXS 613	Exercise Testing and Prescription for Special Populations	3	_____
HLTH 525	Human Disease & Health Literacy	3	_____
EDUC 640	Behavior Management for School Aged Children	3	_____
EDUC 658	Introduction to Special Education	3	_____
PHED 635	Motor Development & Analysis	3	_____
PHED 660	Advanced Instructional Strategies	3	_____
PHED 629	Curriculum Construction in Physical Education	3	_____
PHED 675	Legal Issues in PE & Athletics	3	_____
PSYC 530	Psychology of Sport Injury	3	_____
PSYC 612	Psychopharmacology	3	_____
PSYC 615	Child Development & Counseling	3	_____
PSYC 620	Health Psychology	3	_____
PSYC 630	Adventure Therapy	3	_____
PSYC 631	Psychopathology	3	_____
RHDS 578	Introduction to Manual Communication	3	_____

ADAPTED PHYSICAL EDUCATION PROGRAM
Department of PEHE / 2016-2017

RHDS 579	Manual Communication and Culture	3	_____
RHDS 602	Implications of Disability for Family	3	_____
RHDS 630	Children with Disabilities	3	_____

RESEARCH CORE:

RSCH 610	Foundations and Methods of Research	3	_____
----------	-------------------------------------	---	-------

RESEARCH REQUIREMENT: (4 - 9 SH)

RSCH 620	Educational & Psychological Statistics	3	_____
Or RSCH 615	Qualitative Research Methodology	3	_____
RSCH 612	Proposal Design	2	_____
RSCH 635	Thesis	4	_____

OR

HPER 626	Proposal Design (Independent Study)	2	_____
*PHED 692	Independent Study in Physical Education	2	_____

RESEARCH OPTIONS

Thesis

Those students completing a thesis will take an oral examination on their research and qualify for the M.S. or M.Ed. Thesis students must take RSCH 620, RSCH 612, and RSCH 635, which reduces selective choices.

Independent Study

*Students completing PHED 692 will take 6 more credits of graduate selectives (15 SH total) than students completing a Thesis, and must pass the Poster Presentation to qualify for the M.Ed.
