

SPRINGFIELD COLLEGE OCCUPATIONAL THERAPY DEPARTMENT
Entry-Level Master of Science Degree Program
Prerequisite Worksheet for Application for Admission

Name of applicant _____

Date form completed _____

Please provide the requested information in the appropriate spaces. All course grades must be supported by official transcripts submitted with the application packet or as follow-up after completing a course. At least half of the courses in each category* must have been completed by the application deadline in order to be considered for admission. The admissions committee will tally grade point averages within each category and as a total; minimum standards are listed in the table. Information about additional related coursework you wish to have considered may be written in the spaces on the bottom.
