Individualized Program (8 - 15 sh) – Students must work with academic advisor to select courses. See the menus on the reverse side of this document to design the individualized program. All students must complete Physical Education Professional Licensure, 12-credit option paperwork. The 12-credit option is designed for licensed physical education teachers who are advancing their MA initial stage teaching license to a professional stage license. Students submit the following completed forms to the PEHE Graduate Coordinator: 1) Registration form; 2) Needs Assessment form, and; 3) Plan of Study/Advising form. All forms can be found on the Educator Preparation webpage under “Graduate Programs/Physical Education-Professional.”
