This report uses data from the 2020-21 post-graduation survey, which is the most current Springfield College data available. The survey was administered in October 2021 to recent alumni who graduated in August 2020, December 2020, or May 2021. Information (the survey and institutional research) was collected from 519 bachelor degree recipients, with an 83 percent knowledge rate, and to 372 master/doctoral degree recipients, with an 89 percent knowledge rate. The data presented include the known status of recent graduates. **The knowledge rate for this program is 87 percent.**
