Note: This report uses data from the 2018-19 post-graduation survey, which is the most current Springfield College data available. The survey was administered in October 2019 to recent alumni who graduated in August 2018, December 2018, or May 2019. Information (the survey and institutional research) was collected from 480 Bachelor degree recipients, with a 91 percent knowledge rate, and from 393 Master/Doctoral degree recipients, with a 91 percent knowledge rate. The data presented include the known status of recent graduates. The knowledge rate for this program is 100 percent.
