If you are married, we need to verify your and your spouse's 2020 income. If you are single and an independent student we will need to verify your 2020 income. Income may be verified by one of the methods listed below. Please review each of these methods to see if they apply to you, your parents', and/or your spouse:

- 1. If your parents filed a 2020 IRS income tax return, the best way to verify income is to request it through the data retrieval tool (DRT) on your 2022-23 FAFSA. 3. Additional Information:

So that we can fully understand the student's family financial situation, please provide below information about any other resources, benefits, and other amounts received by the student and any members of the student's household. This may include items that were not required to be reported on the FAFSA or other forms submitted to the financial aid office, and include such things as federal veterans' education benefits, military housing, SNAP, TANF, etc.

It is extremely important that this section and/or comments be completed if your income on the FAFSA is reported as zero or very low on the FAFSA. This section can document that the reported income is correct. If needed but left blank, we will need to follow up with another requested document.

If more space is needed, please provide a separate page with the student's name and ID number at the top.

2022-2023 INCOME VERIFICATION REQUIREMENTS

In addition to the Verification Worksheet we are also required to verify student, spouse and/or your parents' 2020 income as reported on your FAFSA. Please use the following as a guide to assist us in your income verification process:

- We can only use data provided directly from the IRS. Student and parents may help us verify income by using the IRS Data Retrieval tool (DRT) provided on the 2022-23 FAFSA or, by requesting the 2020 IRS Tax Return Transcript by visiting irs.gov. If neither works, please contact the Office of Financial Aid to troubleshoot.
- Please note that we must verify both the student's income as well as the spouse or parents' income. If the student, spouse, or parent(s) had earnings from work in 2020 but was not required to complete a 2020 IRS income tax return, the student, spouse or parent(s) must provide their 2020 income information in the Non-Tax Filing Statement on the Verification Worksheet. In this case we will also need copies of the student's and parent's W-2 forms.

Please return the complete Verification Worksheet, any documentation for the Worksheet, and the Tax Return Transcript, if required, to the Office of Financial Aid, Springfield College, 263 Alden Street, Springfield, MA 01109-3797. Or you may fax the documents to 413.748.3462. Please be sure that the student's name appears on any form you are sending us. You can also **upload this document and other required documents through My Financial Aid.**

If you have any questions, please contact us at 413.748.3108 or for ROCE students: 413.748.3112 or via email @ financialaid@springfieldcollege.edu.

Thank you for your assistance with the verification process.
