SECTION C: Verification of 2017 Income

If you are single and a dependent student we will need to verify your and your parents' 2017 income (the parents are those who are listed on your FAFSA). If you are married, we need to verify your and your spouse's 2017 income. If you are single and an independent student we will need to verify your 2017 income. We CANNOT accept a copy of an actual tax return to verify income. Income may be verified by one of the methods listed below. Please review each of these methods to see if they apply to you, your parents', and/or your spouse:

- 1. If your parents filed a 2017 IRS income tax return, the best way to verify income is to request it through the data retrieval tool (DRT) on your 2019-20 FAFSA. Or you may need to request the IRS tax transcript by visiting their website (www.irs.gov). You will then need to upload the transcript to Springfield College on My Financial Aid.

Check either:

1A: Parent(s) filed a 2017 IRS income tax return and will request a Tax Return Transcript to verify 2017 income.

1B: Parent(s) was not employed and had no income from work in 2017 and was not required to and will not file a 2017 IRS income tax return.*

Please note that if you were able to use the Data Retrieval Tool (DRT) on the FAFSA to import your 2017 income and tax data onto the FAFSA you DO NOT need to request the IRS Tax Return Transcript.

- 2. If you or your spouse filed a 2017 IRS income tax return, the best way to verify income is to request it through the data retrieval tool (DRT) on your 2019-20 FAFSA. Or you may need to request the IRS tax transcript by visiting their website (www.irs.gov). You will then need to upload the transcript to Springfield College on My Financial Aid.

2A: Student or spouse filed a 2017 IRS income tax return and will request a Tax Return Transcript to verify 2017 income.

If you or your spouse did not file, and were not required to and will not file a 2017 IRS income tax return, please check the appropriate boxes below that apply and follow the corresponding instructions:

2B: Student was not employed and had no income from work in 2017 and was not required to file a 2017 IRS income tax return.

2C: Student's spouse was not employed and had no income from work in 2017 and was not required to file a 2017 IRS income tax return.

2D: Student or spouse, were employed in 2017 and had earnings from work but were not required to file a 2017 IRS tax return. **If checked, please complete the non-tax filing statement below and attach all W-2's then continue to Section D.**

***Independent students or parents of dependent students who did not file (and were not required to file) a 2017 IRS income tax return will also need to provide documentation from the IRS that a return was not filed. You can obtain this by filing IRS form 4506-T and checking box #7 or requesting a 2017 Tax Transcript or a 2017 Tax Account Transcript that includes a message such as "no records of a return filed" or "no transcript on file".**
