

The items below can be brought to the Child Development Center on your child's first day.

## **First Day Items**

- Comfort item: Special blanket, stuffed animal, pacifier, etc., that is **labeled with your child's full name**. If you have an extra comfort item to leave at school, that is great. If not, we will send it home each day.
- Diapers/Pull-Ups (if needed): We provide wipes.
- Diaper Rash Ointment: As needed
- Crib Sheet and Blanket: We send them home to be washed at the end of your child's week. If your child is more comfortable with a pillow, please send one in and **label it with your child's first and last name**.
- Change of Clothes: This can include socks and shoes that are weather appropriate. **These items should be labeled with your child's first and last name.**
- Outdoor Wear: This includes snow pants, coat, hat, and mittens each day during the cooler weather. **These items should be labeled with your child's first and last name.**
- Lunch: Please include four to five choices and a drink.
- Photograph of your Family and Child (up to a 4x6). For Pre-K, please bring an individual photo of your child.
